STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On July 24, 2007, the Examiner conducted an interview with Applicants' undersigned representative regarding the above-identified application.

The Examiner indicated in the interview that the claim amendments previously submitted in the May 22, 2007 response appeared to be sufficient to overcome the outstanding rejections under 35 U.S.C. § 112, first paragraph (written description and enablement). The Examiner also suggested several minor amendments to clarify the claim language. Claim amendments that may help to overcome the 35 U.S.C. § 102 rejection over Pain et al. were also discussed.

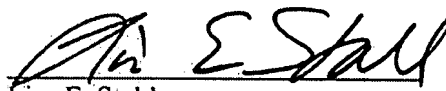

Should the Office disagree with Applicants' assessment, as articulated above, the Office is invited to clarify the record in this regard.

Respectfully submitted,

BUCHANAN INGERSOLL PC
